19 August 2011

## A Level Results for Year 13 2011

Advanced Level achievement is a challenge and demands ability and constant hard work from students over two years. I am delighted with our students' outstanding results that prove their skills and commitment.

- 19.5% of grades are A\*, an outstanding achievement when nationally this figure is 8.2%.
- 59% of all grades are A\* or A.
- 90% of all grades are A\*, A or B.
- 97% of all grades are A\*-C.
  
- 76% of students (115/152) gained A\*, A or B in every subject.
- 32% of students (49/152) gained A\*/A grades in all of their subjects.
- 12.5% of students (19/152) gained A\*/A grades in 4 subjects.
- 11 students are bound for Oxford and Cambridge.
- At least 70% of students gained A\* or A in DT, Economics, English, German, History and Spanish.
- 100% of students gained A\*, A or B in Drama, German and Religious Studies.
- Including Advanced Extension Awards and Music Grades, our students' average points score is 455, which is outstanding for a large sixth form.

INVESTOR IN PEOPLE

These are outstanding results for students who deserve their success. They have had the benefit of expert guidance from their dedicated teachers and the valued support of their parents. All of them can celebrate!
